

Some Reasons Why You
Should Buy a

PRIMROSE

Cream Separator NOW

It is one of the best SEPARATORS on the market. We are still selling at the old price. They save at least one-third of your cream. Pasture will be fine all through the winter. Butter fat is high and is worth saving.

These are a few reasons why you should get one of these machines at once.

FROM "OVER THERE"

Sergt. Hupp Writes Interesting Letter. Expected End of War.

Some place in France, Oct. 8, 1918

Dear Mother:

Just a few lines tonight to let you know that I am still alive and doing nicely. It is eight o'clock and we have just finished work and I have enjoyed a good hot supper. Believe me, that is one thing that we have that is sure good. We have three good cooks and have about eighty or ninety men to feed. That makes it just enough to feed well and we sure do that thing. Today we had one of the hardest rain-storms that I have ever seen in France. It only lasted a few minutes but it sure did hail and rain. All at once it cleared up and the sun began to shine and nothing had ever happened. Then we had one of the prettiest rainbows. Sure did remind me of the good old days.

I suppose the U. S. is full of peace talk just now, but don't pay so much attention to all of it because I don't think that Wilson will give the Germans any peace. I wish he would let the troops go through Germany just like they have sure ruined some of these towns. Some I have seen with out a roof good enough to keep even a sprinkle off. The fields are full of holes made by the big shells, some of them big enough to bury several horses in. I have heard and seen some interesting sights that the Germans have here. I can't begin to tell you all of them in a letter, but I feel that it won't be long before I can tell you all about it and not in a letter.

Yesterday I received five letters and today I received four more. Four of them were from you, the latest one was on the eleventh of September. Pretty good time, don't you think. It had been laying around in the P. O. for several days so I think I received it in about 16 days.

Well, mother, I can't finish this tonight but will try to finish it tomorrow. We are going to move tomorrow but I think I will find time to drop you a few lines. Don't get worried if you don't hear from me real often because I can't promise how often I can write but you can be sure that I will write just as often as I possibly can. Write soon.

October 9

Dear Mother:

Promised to finish the letter I started yesterday and will do so in a few lines. Finished work about 6 and sure enjoyed a good supper, hot biscuits, real butter, fried potatoes, white crary, fresh beef, coffee, pudding and strawberry preserves. Not so bad for a soldier is it?

No news to tell only present outlook of war is good. No official information can be received so we have to keep on fighting until Germany has enough. Am still looking for that letter from Joe and C.

With love,

Sergt. George H. Hupp,

Hdq. 35th Div.,

American Exp. Forces,

A. P. O. 743 A.

Herrell Happenings.

Misses Irene and Mary Holland, from Hunte, visited last week with Miss Ruth Jones.

Mrs. Nora Howard, from North Dakota, left Friday after a two weeks visit with her brother, Herbert Wayland.

Misses Salina Newlon, Elizabeth Ewing, Irene and Mary Holland and Ruth Jones, and Mr. George Newlon and Harold Hertz spent Tuesday evening at the Wayland home. They enjoyed the evening playing Rook.

Mr. and Mrs. Johnson and children and Mr. and Mrs. Oscar Price and daughter, Florence, took dinner Sunday at the W. O. Card home.

Mrs. Wick Ray entertained a number of girls at her home Wednesday night and Thursday. They enjoyed a lovely time as Mrs. Ray proved herself to be as young as any of them.

Rook parties seem to be the style around here.

Mrs. Joe Clark and daughter, Helen, took dinner Tuesday with Mrs. Dick Lyle.

Sam Robinson and sisters, Mike Olary and Clyde White visited Sunday afternoon at the John Strange home.

Lucile Denmon spent Saturday evening with Mabel Card.

Tom Chandler's car was destroyed by the influenza epidemic. He carried the car to the hospital and it was destroyed.

Virginia.

The "flu" condition seems to have somewhat subsided in our community. C. E. Robbins, who has been entertaining it for some time, is not much better. His friends are hoping for his early recovery.

John T. Harper and daughter, Mary, have been suffering with the influenza.

Lester Ayers, who enlisted with the tanks, left Monday to report for duty. We suspect he will not get very far toward France, however, in the face of reports concerning the peace armistice.

Herman Englehardt has completed a new addition to his house.

The Sunday schools have reopened at Virginia. Remember, everyone welcome. Services open at 10:00 a. m.

Edward L. Greenup spent the week and visiting old friends at Marionville, Missouri, where he was attending college before enlisting in his country's service in the navy.

Mrs. Mary V. Morrison returned Wednesday of last week from a month's stay at Mountainair, New Mexico. She was called there by the sudden illness of her daughter, Mrs. Rufus Sellers, who has since died.

A good crowd was in attendance at League last Sunday evening, and the services were exceptionally good. Miss Eva Rigg, of the Kansas City National Training School for Deaconesses and Missionaries, was an attendant, and gave an address after League services. She also spoke during the preaching hour Sunday morning. All who heard her enjoyed it very much.

The League topic for next Sunday will be "The Urgency of a Great Errand," Matt. 22:1-5, 8-14. Mrs. Carrie Henderson will be leader.

Miss Flossie Robbins, who has been at home for some time on account of the "flu" ban, returned to Kansas City the fore part of the week to take up her work in the business college there.

Miss Ruth Orear resumed her school duties at Crook's Monday, after a few weeks' vacation on account of the influenza epidemic. Miss Carrie Harper also reopened school at Willow Branch Monday.

Lomoco Modern Multiple Unit Poultry House

This poultry house is the result of the most careful study and planning. It is designed to increase the winter egg yield and it has been approved by the best poultry and egg producing men and women in the country. We build the Lomoco Multiple Unit Poultry House any size you wish, but the most popular size is 12 units 12 ft. wide and 30 ft. long, and 7 ft. high, sloping to 8 ft. in the rear. Such a unit will accommodate 80 to 100 chickens. An entrance is provided in front or at one end. There are two windows in each unit and also two mullin screens having hinges to be swung up. This Multiple Unit poultry house should face the south, allowing the sunshine to penetrate the full depth of the house. It is well ventilated, which will make it free from moisture.

We will furnish these Lomoco Poultry Houses all ready built in sections, ready for your chickens, or we will give you the plans and furnish you the lumber in lengths that will cut without waste and you can build your own Multiple Unit poultry house. The Multiple Unit Poultry House can be added to as your flock increases, using the same ends and just building the front, rear and top.

Lomoco Unit Poultry Houses are covered with Lomoco mite-proof composition roofing.

The proceeds from 40 Chickens—or 80 dozen eggs will pay for this modern, convenient egg producing poultry house.
